

TAKE A MOMENT TO SEE HOW YOU CAN HELP JETHRO DEVOE ON HIS ROAD TO RECOVERY!

Hi everybody, we're writing on behalf of our father Jeffrey DeVoe or as many of you know him Jethro. Jeff has always been the life of the party and is always willing to lend a hand when needed. However, he recently suffered a series of unexpected illnesses, stemming from his stage four cancer and has landed himself in Albany Medical Center for quite some time now. Throughout the experience, he's been keeping his spirits up, but being laid up in a hospital bed inevitably means he has been unable to work (which oddly enough has always been one of his favorite things to do).

Unfortunately, recovery comes at a cost and the bills are starting to roll in. We don't want him focusing on anything other than improving his health, so we're asking for your help. We just want him to be able to get back home where he can relax with his fiancé and their dog and fish off his dock (his other favorite things to do) without having to worry about how he's going to cover his bills when they come. Anything you can spare, even just sharing his story, will help tremendously.

Thank you everyone. We appreciate anything you can do during this time.

- Jessica and Tabitha DeVoe
